

### **Reporting Lost or Found Animals Policy**

The shelter maintains a list of reports of lost and found pets for a period of at least 30 days from receipt. Reports may be filed by calling any of our facilities:

- Conshohocken – 610-825-0111
- Perkiomenville – 610-754-7822
- Abington – 215-886-8802.

Calling one facility files the report at all three locations. You may call any of our three locations to update a previously filed report- this will keep the report active for an additional 30 days.

New lost and found reports are routinely checked against the existing reports and animals in the shelter. However, nothing surpasses an owner physically checking the local shelter. No employee of the SPCA is going to recognize a pet as quickly as an owner will. Our three facilities are open 7 days a week for anyone to view the animals.
