**Montgomery County  
SPCA (MCSPCA)  
2<sup>nd</sup> Annual Benefit Golf Outing and  
Dinner**

The Montgomery County SPCA (MCSPCA) was established in 1909 and is a nonprofit organization dedicated to fostering kindness to animals and to the protection of animals' rights. The MCSPCA cares for unwanted, lost and abused domestic animals, but the work does not stop there. Whether it's finding homes for adoptable animals, investigating allegations of animal abuse, rescuing injured or distressed animals, or providing pet education to the community, the MCSPCA works toward the day in which no animal will live in pain or fear.

This annual event is held to raise money and awareness for an organization that is much needed but often forgotten. The outing was successful last year, raising money that went towards the MCSPCA daily operations, including the feeding and caring for shelter animals. We hope you will help support the MCSPCA in its efforts to continue serving animals in need by contributing to this charitable golf outing, through participation and/or sponsorship. If you are not interested in playing but would like to participate in this event, join us for a putting contest and/or dinner. Additionally, contributions can be made through a donation for our raffle.
