

The Montgomery County SPCA SEVENTH Benefit Golf Outing and Dinner

Talamore Country Club
Tuesday, October 4, 2016

The Montgomery County SPCA (MCSPCA) was established in 1909 and is a nonprofit organization dedicated to fostering kindness to animals and to the protection of animals' rights. The MCSPCA cares for unwanted, lost and abused domestic animals, but the work does not stop there. Whether it's finding homes for adoptable animals, investigating allegations of animal abuse, rescuing injured or distressed animals, or providing pet education to the community, the MCSPCA works toward the day in which no animal will live in pain or fear.

The funds raised from our Golf Outing and Dinner have helped us change the lives of each and every animal that comes through our doors. If you don't golf, please join us for dinner and the raffle. Your dinner and even the prizes you will win contribute directly to the health and well-being of the animals in our care. The event also provides many other ways that you can help:

**Be a sponsor
